Dear Mr/Mrs/Miss

COVER LETTER FOR CANDIDATE: BOITUMELO RAMPETE

I am a Final Year Student at the University of Pretoria, currently in my final year for a BCom Degree in Informatics (Information Systems).

I am a diverse and diligent individual who prides himself in hardworking at all times, an individual who generates strong capabilities of leadership, and a team player of note with excellent creative innovation, and great programming skills.

I am a focused and effective individual that is eager to learn and displays commitment to a high standard in any task given and aims to make a difference in the world of information technology with innovative ideas and a great ability to write code. A good communicator that is fluent with 3 different language's (English, seSotho, Setswana). Portrays great academic capabilities, seeking the opportunity to learn and be a great influence in the IT industry in future.

I believe that I would make a great addition to a role assigned to me. This document serves as an insight to my capabilities and how they can be utilised in the workplace environment.

Thank you for taking the time to consider me and I look forward to hearing from you in the near future.

YOURS SINCERELY,
BOITUMELO RAMPETE
